Commodore Letter

Hope everyone is happy and healthy. A lot of things are happening at the club in the coming weeks. Most importantly is our dock installation and deck opening at 8:00 a.m. this Saturday, May 1st. We need many volunteers to help with these two projects. Come support your club. The more volunteers that show up the easier these two jobs can be done. Lunch and beverages will be served when finished.

As the seasons change so do the days of our lives...I have enjoyed being your Commodore for the past two and a half years! We, as a club have accomplished a lot of positive things and are headed in the right direction for years to come. Unfortunately, I can no longer lead. Events over the past four months both personally and with another board member equally played a part in my decision. To those on the board who supported my efforts, I know you will continue in a positive direction for the sake of our members. Leadership is not about being the best its about making everyone else and everything better! I believe I have accomplished this task. I will continue to support our club just not as Commodore! While the board transitions I ask for your patience and understanding.

Respectfully,

Verna Wiles
