Commodore Letter

Ahoy Members,

Spring is here summer is close, as we move closer, we have lots of things to do to get things done to prepare for summer. Volunteers are needed for some of these, please sign up in volunteer books at the bar or call and get added to help. We have lots of fun events planned for the summer and a sign-up book is also at the bar with dates and spots and times to help, please take the time to look thru them and help. Our Events are successful with the help of everyone otherwise we unfortunately have to make a decision to cancel them if we don't have help. If you would like to run a event please let us know there are a few openings to run some or if you have a new idea for one. Let's all make this year a safe and great time.

March was a fun month, thank you to all that helped. The new bar top is in looks great, stop in and check it out, docks are going in soon, uncovering and upgrading some things outside as weather permits, and getting ready for summer.

Id like to thank all that help and our board for all the hard work we do, it is a team effort. We work hard to make this a great place to be, I appreciate everyone. I try to keep all informed about upcoming events, meals and club info, via email and Facebook, our website and flyers hanging up around the club. If you're not getting emails let me know, I've been trying to fix emails not going out. Can always reach out to me for anything.

Stay safe and see you at the club,

Thank you,

Your Commodore
