Commodore Letter

Ahoy Members,

Summer is Approaching, and the Big Deck will be opening at the end of month, lots of things are getting done to prepare for summer. I'd like to thank all that helped putting in our docks and all that have been helping with things around the club. We are always continuing to improve our club, we will be putting new siding up soon, making some changes to the outside big deck, new flowers going in, some other smaller upgrades, and always working on improvements to keep our club run efficiently.

There are a lot of fun things planned for this year, lots of live music, some different types of events, our poker floats, Venetian Night, and of course all the fun on the Big Deck. Myself and the board want everyone to enjoy these, for them to be successful we will be looking for volunteers to help with them, so watch for when help is needed, It would be a shame to have to cancel any of them because of lack of help.

This is all of ours club, we are a members club not a public club, but members can always bring in guests as long as they sign our guest book per the law. Please always be respectful and watch the swearing. If there are any problems with anything or complaints, reach out to me personally and I will look into it. I pride our club in the members having great experiences at the club. Drama and arguing are not welcome here.

We are a great club, great place to be!! Great place to meet new friends. Great place to enjoy our lovely lake, its sunsets, enjoy the lake breezes while having some drinks. Let's have a great summer and be respectful of those around you, help others out if they need. If you ever see a problem with any boats on our docks or with anyone, please notify the Bartender so we can attend to the problem.

The Best Place to Be !!

Your Commodore
