## Commodore Letter

Ahoy Members,

We have had a great year so far, we have had some fun evenings some great events for all to enjoy and we keep the community in mind as we donate to many local causes throughout the year. I thank everyone that helps out around the club and with events. Members volunteering is a vital part of making these successful. There are more fun events coming this year, keep a eye out for the info as I share them. Thank you to our board whom work very hard on these things.

With the club doing so well yes, we have now reached our cap of 300 members, this had to be done considering that if you add the members significant other, we are actually around 500 to 600 members. Anyone interested please still fill out a membership application, we will be going off the waiting list for new members as spots become available, most months we have a few spots open up.

We have made changes to the clubs appearance and we still have some to finish, also have a few others in the planning. Id like to thank all that help with these, you are appreciated. Myself and the board work hard for our club we love this place and that's why we volunteer our time. There are always bumps in the road with any business and myself and the board always welcome questions and comments to us. My goal is to always work together to make things smoother for all. I believe in being Patient, handling member issues discreetly and then moving forward. I love this club and always want the best for all. Let's all be nice to each other and respectful of those around you. Just because you may like something doesn't mean the person next to you does. And please be patient when we are busy. This is all of ours wonderful club lets all try to help out when you can, just taking out some trash is a big help when busy, simple things like that.

Thank you,

Your commodore,

Jeff Matusik
